PROFILE

With a strong foundation in React.js and Next.js, coupled with hands-on experience in backend technologies like Node.js and Express.js, I am confident in my ability to contribute effectively to the small or middle company.

In my previous role, I played a key role in developing responsive and visually appealing user interfaces using React.js and Next.js. I successfully collaborated with cross-functional teams to implement features that significantly improved the overall user experience.

EMPLOYMENT HISTORY

Front End Developer | IN-Software Polska

Jul 2022 — Nov 2022

- Served as a friendly, hardworking, and punctual employee.
- Organized and prioritized work to complete assignments in a timely, efficient manner.
